### PARTICIPATION AND ACHIEVEMENTS IN OLYMPIAD

Our students took part in various Olympiads in the academic year 2018-19, which were organized by Unified Council, Silver Zone Foundation and Commerce Teachers Foundation. In all 526 students had participated in these Olympiads.

I feel proud to announce that our students won 29 gold medals, 16 silver medals and 11 bronze medals.

### AWARDS

I feel proud to announce that this year our school got accreditation by **ISA British Council** and this affiliation will travel a long way by providing global exposure to our students and prepare them for facing the challenges of the competitive world.

It was a proud moment for me to watch our students taking lead and coordinating with the partner schools of other countries like South Korea and Nepal. This step will enable our students to interact, learn and broaden their horizons.

### **SPORTS ACHIEVEMENTS**

It is well said that a healthy mind resides in a healthy body. Our students have done remarkably well in sports arena too. So....

1) We have a rifle-shooting range in our school and our students are doing extremely well in shooting the medals for the last couple of years. This year our class X student **Miss Yukti Jhala** got qualified for 63rd National Rifle Shooting Competition in 10 meters (Peep-sight, under 19 category) and **Miss Yukta Gajeshwar** of class 10 qualified for SGFI National Shooting competition.

We have successfully conducted a “Model of United Nations” for developing spontaneity, adaptability and diplomacy quality among the students. With the help of MUN our students gained knowledge about working of various committees of United Nations.

I feel proud to say that our teachers are well versed with multiple intelligence methods in their classroom teaching. We assure all the people connected with us that we are the best in our tribe.

**CAREER COUNSELING:- Choosing The right Career plays a crucial role in shaping the future of the students.**

The school conducts “career counseling session” on regular interval for the students which help them to understand various upcoming courses and take right decision for selection of college and courses.

School has got Alumni of hundred member through Univariety (a career counseling portal). They have been imparting counseling to our students throughout the year and it has been a meaningful resource for the development of the school. A regular online career counseling through Univariety portal is given under which students can go through

Psychometric test, multiple intelligence test, personality development test and course selection test.

To satisfy their queries regarding admission in various foreign universities, Students were sent to Attend career fair which was organised in hotel Radison blue Indore by many colleges and universities in India and abroad.

### **FUTURE PLANS & EXPANSIONS.**

We are committed to excellence in education. It's. a continuous process. The more you learn the more opportunities and alternatives open in front of you.

During the academic year a few changes in respect of infrastructure development have taken place in the school and I personally thank the Management for providing requisite infrastructure and for their constant support and encouragement.

2) This year we have introduced **Teach-Next** in every class. I feel proud to announce that almost all the classes are now converted into well-equipped smart classes.

3) We already have a half-Olympic-size swimming pool. This year we have introduced a mini swimming pool for tiny tots.

4) We are the only school in Dewas to have a completely air-conditioned pre-primary wing.

5) We have also renovated our dining hall with a capacity to accommodate about 500 plus students.

7) We have renovated our labs and Library also.

8) In order to keep pace with the changing teaching and learning process, we are going to have "boys' hostel" and "staff quarters" from next academic session that is 2020-21. And subsequently we will start girls hostels as well.

I feel glad to announce that we have a **MINI THEATRE CUM CONFERENCE HALL**, which is fully air conditioned and has a seating capacity of about 200 plus students at a time.

Thanks
